

Hello Everyone.....

Can you believe another month has gone by? So here we are in March and making final preparations for the 2024 State Convention. I have my room reservations and mailed in my registration. How about the rest of you? Don't cut it too late. The registration deadline is March 25, 2024. Come on everyone, look at those calendars and see what you can do.

The Convention Planning committee had their first meeting. What a great group of ladies. They really came up with some great ideas to check out. We are checking into venues, program ideas and chapter responsibilities. We will have some ideas to discuss with you at the convention. Penny Thompson (Epsilon) and I are working on a letter to the membership with questions concerning your thoughts on the convention, so be looking for it in the next few days.

I would like to thank Lambda Chapter for sending me a list of the members and their years as DKG members. Please send me your rosters with years in DKG as soon as possible. I would like to at least recognize all the members with 50+ years at the convention. If you initiated any new members this year, please let me also know these ladies' names. We need to celebrate all members but isn't nice to know who the long-standing members are along with our new members?

The yearly calendar is still a work in progress. I hope to have news for you at the convention for the 2024-2025 season.

During the upcoming season, if you are having a ZOOM meeting, I would love to attend.

If at any time you would like me to announce something really special about your chapter in this Presidents Page, send me the information and pictures.

I am still working on contacting the Superintendents of our state to check the feasibility of virtual chapters.

I am looking forward to our convention and seeing everyone again. If you have questions, concerns, thoughts and ideas that would benefit our members, please contact me at onehappygrandma@cox.net or 702-308-3489.

Bye for now, Ladies.....Pat Goeppinger
