Gamma News – Unfolding Here 1
November 2024

The November meeting is the birthday celebration for each and every one of us! No matter when your birthday really is, or how old you are, we don't care – this will be your day. We will include the new member initiation [Emma, Helen, Rebecca], sharing personal trivia, and some games. [Plus good food and visiting.]

November Meeting, November 16, 2024 12-2

Emma Ekradi-Cohen's home

Basket Raffle [provided by Emma] - $10 buy in

If you have visited Donna's house, it's next door to hers. It's about half an hour from my house via the expressway. If you want to carpool, check with those closest to you. If you can't work it out let me know and I will check around.

Please let me know if you plan to attend so Emma is prepared.

Personal Trivia for November: Everyone has an assignment, find out what national day occurs on your birthday, or what famous person was born on your birthday [besides you of course] or something special that occurred on your birthday!

When I typed in mine [January 18] I found a lot of fun things. For example: It's National Thesaurus Day, in 1886 – Modern hockey was born, and in 1913 – Danny Kaye [actor, singer, conductor, dancer] was born.

Type your month and day into your favorite internet browser and come up with at least one fun fact about that day to share!

January Social?

Maybe we should have a January Social since our official meeting in January is via zoom? We were thinking of using the theme "Hidden Gems" where we could share recommendations of books, movies, tv shows, destinations… or whatever - no blockbusters, only quiet suggestions that might have slipped below the radar.

We can discuss this at the November meeting.
