

# Delta Kappa Gamma Society International

## **Nevada State Membership Initiative**

Under our revitalization plan for increasing chapter membership, each chapter will complete the following two projects by March 1<sup>st</sup>, 20\_\_

**1.** Each chapter will *personally* meet and invite two prospective members to attend a meeting.

- \* Invite them to a project or activity meeting or special event.
- \* The activity planned should be of interest to those invited.
- \* Emphasize that it is an “Honor” to be a member of Delta Kappa Gamma.
- \* Call and remind them of the meeting and offer to pick them up and bring them to the meeting.
- \* During the planned activity discuss the purposes, scholarships available, and projects of Delta Kappa Gamma. This should be a casual orientation, nothing too formal.

**2.** Each chapter will present a “Golden Apple” award to a qualifying teacher, classroom, or school.

- \* This is a monetary award. The amount will be determined by the chapter.
- \* Qualifications for this award will be determined by the chapter.
- \* Schedule a time and place for the presentation.
- \* Examples of places could be in front of the classroom, in the gym, at a staff meeting, in the Principal’s office, or a convenient place for all.
- \* Include pictures and a media release for the school, district, or local newspaper.
- \* Include DKG’s full name and purposes (may summarize) in your article.
- \* The award will include a “Golden Apple” figure, certificate, and monetary amount.

At the State Convention each chapter will briefly present how the Membership Initiative was accomplished.
